Mentoring for Single Moms so they can learn to stop Surviving and Start THRIVING!

MAGAZINE

Thank you for your interest in THRIVE Magazine. We are a magazine for Single mothers by Single mothers.

Single mother households are on the rise and very few publications are catering to their needs. Major publications and blogs offer an article here and there but have yet to fill the needs of this growing community. Well, that was until now. THRIVE Magazine is a publication created especially for single mothers by others who are living the same life. THRIVE highlights and illustrates exactly what its name suggests; single mothers who are THRIVING while giving tips, tricks, encouragement and motivation for other single mothers to begin and continue on their own personal THRIVING journey. THRIVE Magazine focuses on THRIVING Spiritually, Emotionally, Physically & Financially.

Every issue of THRIVE Magazine contains the Single Mom Book Club. The Book Club features books written by or for single moms every month. A panel of single moms chooses the books they feature each issue that are user submitted. At least one single mom on the panel will read every book featured and post a short review in the magazine. Books are featured in the magazine with a picture and links to purchase and an honest review to drive traffic of your book. We also host book giveaways from time to time in conjunction and sponsored by the book authors.

If you are an avid reader and want to join the Single Moms Book Club Readers panel click [HERE](#).

If you are interested in having your book featured in THRIVE Magazine's Book Club please forward the below information as soon as possible. Once your book has been read and scheduled to appear in an issue of the magazine you will receive an email letting you know. You will not receive the review ahead of publication. You will only be notified when your book will be featured so that you may be on the lookout for that issue and of course share it with your network. If you wish to host a book giveaway please send a **separate** email stating such and someone will be in contact with you shortly. Be sure to include all items in **ONE** email to [THRIVEMAGAZINEBYSAGE@GMAIL.COM](mailto:THRIVEMAGAZINEBYSAGE@GMAIL.COM):
